Costumes

Costumes are paid for before the order is received, and the companies do not give refunds. Therefore, once costume payments have been received, there are no refunds for any reason. There are no exceptions to this rule. Should your child drop out for any reason, including illness or injury, you are still responsible for payment in full and you will receive your costume when it comes in. Due to the rising costume expenses, should the price of the costume be higher than the deposit paid, you will be notified and the balance will be added to your account. Any alterations needed are the responsibility of the dancer. Costume deposit prices are listed below. All costume checks can be made payable to emjaez dance studio and should be on a **separate check from your tuition. Please fill out a separate form for each child**, but you may write one check for the costume total. Please be sure to include the \$8.00 performance fee for each child in your total. Payments in the form of Cash or Check will be accepted.

Costume payments are due by January 7, 2012

Please fill out the bottom section and return with payment no later than January 7, 2012. Payments received after January 7th will be charged a 5.00 late fee.

One student per form, please ☺

Should there be a difference in the size you ordered (Child or Adult) you will receive a refund or have a balance on your bill. Generally a Small-Medium Child is a size 2 thru 8. A Large Child thru Adult size begins at a size 10 child. Order the size that you think is most appropriate (child or adult) and if we need to go up or down in size, we will notify you of the price difference.
