REMINDERS FOR PHOTO WEEK...

- The **Virtual costume book** is available on the web Show Information Center! <https://www.emjaezdance.com/nightatthemovies> Each class is listed by day and it also lists your dress and show dates/times you are in, along with costume information.
- *Be sure to check your photo time, as it may be slightly earlier than your class time.* If your photo time is after your class starts, **you should still arrive at your normal class time.**
- To keep things running smoothly and on schedule, please make sure that you are **on time**. We cannot hold the schedule back for dancers who are late. **Your class ending time will remain the same on picture day.**
- Dancers should **arrive with hair and makeup completed** and in dance clothes with costume tights on. Dancers will change into costume in their regular classroom and will be with their instructor getting ready and practicing until photo time.
- It is up to you how your dancer wears their hair and make-up, but this is a great time to practice how it will be worn in the show.
- A lot of time has gone into steaming and prepping the costumes to look fantastical on stage, so be sure to transport costume in a garment bag and hang up afterwards.
- **Dancers with multiple classes** on one day should bring all costumes with them. We will have racks set up in the lobby and studios to hang costumes. Dancers will change and get ready in the studios between classes. Bring any "extras" with you ...make-up, brush, hairspray etc.
- **All dancers will be photographed** individually and in the group picture, but there is no obligation to purchase photos.
- **Thomas & Thomas will handle all photo transactions.** Approximately 2-3 weeks after photo week, there will be a link on the T&T website that you can view and order photos. Once that link goes live, I will email it out to everyone.

We are all looking forward to seeing all of our dancers in their costumes!!

Have a wonderfully blessed day!
