

Dear Parents & Dancers,

Thank you for your interest in the **2022-2023 CAD GIRL, Hip-Hop & Tap** competition auditions!

INFORMATIVE PARENT MEETING: Tuesday, June 14^h at 4:30pm.

This informative meeting will give you details to help you understand the commitment, answer any questions and learn about all of the goodness. ☺ Dancers that are auditioning may arrive at this time and can warm up, but also attend the meeting.

How To Prepare Your Dancer:

Dancers will be placed in dances or on teams according to skill levels and judges' points. **It is very important to know that by auditioning, you do not automatically make the team.** I feel it is extremely important to prepare your child for the possibility of NOT making the team. With that in mind, dancers in the past that have not made the team their first or second year of trying out, have continued taking their classes, tried out again and have made it! Dancers on the team in the past have also moved down in level or remained the same as others have moved up. Please note that a dancer may be placed on a different team other than what they auditioned for, depending upon scores. If your wish is to strictly be on a specific level or team and only that level or team, it is not fair to the other dancers for you to audition and then decline if you are not happy with the results, or if you are not placed with your friends. With the signing of this agreement, you accept the placement of the team, regardless of the level.

The judges' scores are final, as are the results. *No phone calls or emails regarding placement will be accepted after the results are announced, as level placement is final. However, individual evaluations with each dancer and Mary Jo can be scheduled.* If you should choose to forego your position on the team after auditioning, a \$100 withdrawal fee will be incurred to the CC on file. Please take all of these things into consideration before trying out if you do not think you or your child can handle these situations.

The CAD Audition:

- Dancers will be taught a combination on **Tuesday, June 14th (5:30-7:30pm)** and audition on **Wednesday, June 15th (4:30-6:30pm)**.
- Dancers may arrive up to a ½ early to warm up.
- The auditions are run in a positive, nurturing manner.
- *Auditions are closed to observers.*
- Dancers should wear a black leotard, tank or sports bra with black leggings. No baggie clothing. Hair should be pulled back out of the face into a low or high slick ponytail. No headbands unless they are secured with bobby pins.

Pre-registration is required. There is a **\$45 non-refundable audition fee that is due before auditions.** Below is a list of requirements should you make the team. Please read the requirements completely and return the signed agreement form along with your audition fee, before auditions with signatures from the dancer and a parent/guardian. **Dancers will not be permitted to audition without this signed agreement ~ no exceptions.**

CAD Commitment and Requirements:

Dancers who make the CAD team are required to take 3 emjaez summer dance camps. The dates are:

Ballet Intensive - June 27-30, The Everything Dance Camp- July 25-29, Keep Calm and Dance On- August 8-12. The camps are mandatory, however if a dancer must miss these times, the hours can be made up in private lessons.

There will also be an additional CAD camp and choreography sessions. Times and dates to follow once teams are selected.

During the 2022-2023 emjaez Dance Season, CAD teams are required to take a minimum of 4 classes: 2 Jazz- which includes the CAD Jazz/Conditioning/Technique class, 1 Ballet and an elective class. The appropriate classes will be assigned to you during registration. During the competition season (December-April), extra rehearsals may be held Friday through Sunday. Regularly scheduled competition classes may also be extended. CAD Teams will attend **approximately** 4 conventions/competitions - 2-3 local and/or 1-2 out of town (ex: MI, Pittsburgh, Detroit. Columbus, etc.)

Costs:

Costs include but are not limited to: summer camps, convention/competition fees, costumes, warm-ups, shoes, make-up, lodging, etc. Approximate cost for each convention/competition is \$375; depending upon level and how many dances you are competing in. This cost increases the more dances you have. Five monthly payments of \$375 are collected, with an additional final balance due in May (if applicable). Should a dancer withdraw for any reason after committing to the team, during summer camp or the competition season, the \$375 fees are still due and **a \$200 withdrawal fee will be incurred to the CC on file.** There are NO refunds for any reason as the convention/competition fees are paid ahead of time and the studio cannot incur the fees.

The Hip-Hop & Tap Audition:

HIP-HOP - June 15th: 6:30-8:30pm - Ages 8 and up

Dancers will be taught a combination on Wednesday, July 15th that they will audition with on the same day. The studio will be open at 6:00pm so that the dancers may arrive early to warm up.

TAP - June 16th: 4:30-6:30pm

Dancers will be taught a combination on Thursday, June 16th that they will audition with on the same day. The studio will open at 4:00pm so that the dancers may arrive early to warm up.

TAP - Dancers should wear a black leotard, tank or sports bra with black leggings and tap shoes. No baggie clothing. Hair should be pulled back out of the face into a low or high slick ponytail. No headbands, unless they are secured with bobby pins.

Pre-registration is required. There is a **\$45 non-refundable audition fee per audition that is due by June 14th**. Below is a list of requirements should you make the team. Please read the requirements completely and return the signed agreement form no later than June 14th, with signatures from the dancer and a parent/guardian. **Dancers will not be permitted to audition without this signed agreement ~ no exceptions.**

Hip-Hop/Tap Commitment and Requirements:

The Everything Dance Camp- July 25-29, Keep Calm and Dance On- August 8-12.

Should you be selected to perform in the hip-hop and or tap piece during the 2022-2023 competition season, there will be mandatory choreography sessions. These dates will be released after the first week of camp.

These dates will be mandatory. There will be no exceptions granted for late arrivals, early dismissals or absences.

The hip-hop and tap piece will be rehearsed once a month, beginning in October through the end of competition season.

During the 2022-2023 emjaez Dance Season, dancers are required to be enrolled in a hip-hop and or tap class and two elective classes.

Additional Requirements:

While the hip-hop and tap dances will be a separate entity from CAD, dancers who audition and are selected to perform in the hip-hop and/or tap dance will be required to attend each convention/competition that the CAD competition teams attend. You will attend **approximately** 4-5 conventions/competitions – 2-3 local and 1-2 out of town (ex: MI, Pittsburgh, Detroit, Columbus etc.). **There is a \$375 enrollment fee** that will be due on your first choreography session. This fee helps to cover some of the costs affiliated with the dance, such as: choreography fees, music editing, rehearsal time, administrative fees, etc. **This fee is separate from the 4-5 monthly payments.**

The *approximate* cost for each convention/competition is \$375. Five monthly payments of \$375 are collected beginning in July. Your costume is included in the five payments. The fees do not include lodging, food, etc.

There must be a minimum of 5 dancers selected for each dance; otherwise it will be subject to cancellation.

Additional costs include but are not limited to: costumes, warm-ups, shoes, make-up, lodging, summer camps, convention/competition fees, etc

ALL TEAMS...

Unexcused absences and not meeting set requirements are grounds for suspension or removal from the team. Dancers will not be excused from classes or rehearsals due to sporting conflicts and other extra curricular activities. Dancers may not train or compete for emjaez if you are a member of another competitive dance team as it is a conflict of interest.

I completely support the idea of children experimenting with different activities, but at a competitive level, you must make this a priority. If your extra curricular activities do not interfere with your commitments of the dance team, then it is fine to participate in them. I will do my best to accommodate conflicts. **All of the above requirements are mandatory.** If you feel you cannot meet all of the requirements, this may not be the right time for you to audition for the team, as it is not fair to the other members who can meet all of the requirements.

I wish all of you the best of luck!! Results will be emailed by Monday June 20th.

Please let me know if I can assist you in any way before the auditions.

Smile, Have Fun, Be Confident and Happy Dancing!!
