

# REMINDERS FOR PHOTO WEEK...

- The Virtual costume book is available on the studio web Show Information Center! Each class is listed by day and it also lists your dress and show dates/times you are in, along with costume information. <https://www.emjaezdance.com/20yearsofgoodness>
- Be sure to check your photo time. If your photo time is after your class starts, you should still arrive at your normal class time. If your photo time is your normal start time, you should arrive early to change into your costume and be ready at class time.
- To keep things running smoothly and on schedule, please make sure that you are on time. We cannot hold the schedule back for dancers who are late and we really want you in the photo ☺ Your class ending time will remain the same on picture day.
- Dancers should arrive in dance clothes, with costume tights on and hair and makeup completed. Dancers will change into costume in their regular classroom and will be with their instructor getting ready and practicing until photo time.
- It is up to you how your dancer wears their hair and make-up, but we highly suggest wearing it how it will be in the show as it is a great time to practice the hairstyle.
- A lot of time has gone into steaming, bedazzling and prepping the costumes to look fantastical on stage, so be sure to transport costume in a garment bag and hang up afterwards.
- Dancers with multiple classes on one day should bring all costumes with them. We will have racks set up in the lobby and studios to hang costumes. Dancers will change and get ready in the studios between classes. Bring any “extras” with you ...make-up, brush, hairspray etc.
- All dancers will be photographed individually and in the group picture, but there is no obligation to purchase photos.
- Thomas & Thomas will handle all photo transactions. Approximately 2-3 weeks after photo week, there will be a link on the T&T website that you can view and order photos. Once that link goes live, you will receive an email with the link.
- Smile BIG ☺
